# Engagement Session

Engagement photos are more than fun snapshots; they're one of the first mile markers in your wedding planning journey. This fun, low-stress photo session is like a wedding-day dry run. You'll learn to perfect all sorts of flattering poses while capturing save-the-date and wedding-website content in the process. I will pose you & take candid! There are various location options to choose from & a helpful "what to wear guide" you will receive once booked your session!
